Paint Colors – Primer Color-Keyed to Finish Coat Color

MODEL 1995 MY
Sedan Range
VIN 720001-ON

ISSUE:

Body paint primer is color-keyed to the vehicle finish color on Sedan Range vehicles from the beginning of the 1995 MY (VIN 720001).

The following areas of the vehicle are not cosmetically critical and are not painted with a finish coat.

- Engine compartment
- Hood underside
- Trunk interior
- Trunk lid underside

ACTION:

To repair a vehicle to original specification, the primer material must match the finish coat color. Use the following table to match primer color to vehicle finish color.
