Fuses – Ratings/Circuits –
Introduction of Changes

MODEL 1995 MY
Sedan Range
VIN
734427-754303

ISSUE:

1995 MY Sedan Range vehicles within the above VIN range have revised circuit to fuse allocation. In some cases, the fuse rating has also been changed.

ACTION:

Refer to the following tables when replacing fuses or during electrical diagnosis. Note the vehicle's VIN. Early vehicles are listed on the left, late vehicles on the right side.
