Fuses – Ratings/Circuits –
Refer to Fusebox Label

MODEL 1995-96 MY
Sedan Range

VIN

739427-ON

ISSUE:

1995-96 MY Sedan Range vehicles starting with the above VIN have revised circuit to fuse allocation. In some cases, the fuse rating has also been changed.

ACTION:

Always refer to the vehicle's fuse box labels since these correctly show the actual vehicle configuration. Advise customers of this fact if a question regarding fuse replacement arises. Refer to Bulletin 15-16 for specific fuse changes for 1995 MY.
